

# Light Up Overton Year 2

Since its conception Light Up Overton has taken off and become a major seasonal event organiser in the village.

Overton  
Preschool Playgroup

Emma: Overton Preschool Playgroup created a wonderful display for our Advent trail last year. I'd love their little ones to get 'crafty' again and create some special pieces to find along the way.

Playgroup: What's your favourite thing about Christmas?

Emma: Christmas for me is about family, friends, food, fun... and I'll throw in the odd glass of something fizzy I'm sure!

Playgroup: And finally... Mariah Carey or Wham for your Christmas number 1?

Emma: I have no hesitation in saying absolutely Wham for number 1!

Thank you so much for inviting me for a chat again!

Originally set up by Emma Restell to help raise some Christmas cheer after the lockdowns of 2020, its popularity saw the event gain huge momentum. It was clear it was just what was needed. Emma went on to create events for Easter and Halloween. The beauty of any of the LUO events is that they are for everyone. Children and adults alike can get into the spirit of things and get involved.

I was lucky enough to get the chance to catch up with Emma to ask what delights she had in store for the second year of Light Up Overton Christmas:

Playgroup: Without giving away any surprises what can you tell us about this year's event?

Emma: This year, like last year, I hope to bring lots of magic! There will be a map showing all the displays, with some extra special things to find along the way, and a Community Christmas evening on Saturday 18th December. From 4pm we will have an array of dancers, singers, carols and sweet

treats to enjoy along with the Christmas atmosphere.

Playgroup: How do you plan to get Overton Preschool and Playgroup involved this year?

Emma Booth
